

YEARBOOK ADS

Dear Parents,

It is time to purchase an ad for the yearbook. Many parents purchase an ad for their children in order to congratulate them for a job well done! Many do it to preserve the memories of that year and this special time in your child's life. **The deadline for purchasing an ad has been extended to December 9th.**

In order to submit an ad the total payment, photos, and text desired must be submitted all together into your child's classroom teacher. No ads will be accepted after Dec. 9th, and all required material must be present or the ad order will not be accepted and returned home.
