

# 3rd, 4th, & 5th Grade Summer Reading Challenge: Create a Reading Scrapbook

**Directions:** Turn in your Scorecard and Reading Scrapbook to show off your amazing reading adventures! Here's what to do:

1. *Read and Earn Points:* Accumulate 100 points (see below for details).
2. *Make a Reading Scrapbook:* Create a scrapbook with all your reading fun. Everyone who reaches the goal will get a **special surprise** when we come back to school in the fall! Happy reading!

## Collecting Evidence:

Create a scrapbook to collect and showcase your summer reading adventures. You should try to include the following:

- Parent or librarian signatures for each activity
- Dated journal entries (1 or 2 sentences about the book)
- Ticket stubs
- Photos (selfies reading on the beach, under a tree, or somewhere special)
- Book summaries
- Drawings, poems, or other creative works inspired by the book

Have fun and happy reading this summer!
