

Summer Reading Bingo 2024 (grades 6–8)

Directions: Print this bingo card so you can mark off the squares as you read. Choose an entire row going across, down, or diagonally. The book must be at least 150 pages in length, with no pictures (unless specifically stated below). Once you have read the book, you must complete the associated assignment (linked on the next page). Previously read books or books to be read as a class may not be used. Books may be purchased or borrowed from a library (here's the link to the Martin County Library System's card catalog: https://mrco.ent.sirsi.net/client/en_US/default/).

If you complete one entire row before the first day of school and turn it in on the first day of school, you will earn a special reward. What is it? Read this summer to find out!
